DHS Announces Temporary Closure of STT Vocational Rehabilitation Unit for ADA Workshop and Expo

U.S. VIRGIN ISLANDS - The Virgin Islands Department of Human Services (VIDHS) is advising the community that the Vocational Rehabilitation (VR) Unit in the St. Thomas district will be closed on Tuesday, July 9, 2024, from 9:00am to 5:00pm to allow staff to participate in the ADA Expo at the University of the Virgin Islands (UVI).

The Department of Human Services is committed to continuous staff development and training to better serve our clients and community. This temporary closure will enable our VR staff to gain valuable insights and knowledge about the Americans with Disabilities Act (ADA), which will enhance our services and support for individuals with disabilities.

The Department of Human Services apologizes for any inconvenience caused by this closure. For any inquiries or further information, please contact the Vocational Rehabilitation Unit at (340) 774-0930.

For more information on DHS, DFA and its services, please visit the Department's website at www.dhs.gov.vi or on Facebook (<https://www.facebook.com/usvidhs>).

The Virgin Islands Department of Human Services (VIDHS) exists to provide social services to members in our community with diverse needs. In times of national uncertainty and hardship we act as a safety-net and exist to inspire hope and empower change through non-judgmental, quality delivery of needed services and resources.
